

## OSLO SYNDROME

### Characters

**Sandra Nelson**, aged 50, Head of Healthcare Admin. Kind and wise, the 'backbone' of the department, but is hiding a secret sadness.

**Anna Wright**, aged 40, an administrator. Smart-arse and know-all, overqualified for the job, which she took because her writing career had stalled.

**Megan Ellis**, aged 22, an administrator. Left her home in Cardiff because of unrequited love, now finding it hard to get by.

**Steve Norton**, aged 35, a nurse. Jamaican. Laid-back, treats insults like water off a duck's back, but has a breaking point.

**Jason Sweeting**, aged 25, a prison officer. Sees himself as something of a super-hero, but is more interested in pursuing Megan than doing any actual work.

**Minister of Justice**, aged 43. From a privileged background, likes to trot out well-worn clichés, is convinced nothing can touch him until he finds himself in a situation beyond his control.

**Birdseed McKillop**, aged 45, a prisoner. Scottish, a 'lifer' who says he is in prison for something he didn't do, but has found a way of passing the time in prison.
