

Membership Report for AGM June 2020

Membership subscriptions continue to be a useful source of income for STC.

Since the company was founded and to the end March 2020 there have been 197 members in total. At end March 2020 there were 56 current members.

In the light of the covid restrictions on our operations the decision was made to pause membership. Until operations fully resume Members will have their membership duration extended free of charge by the length of the Covid suspension.

Our Mailchimp mailing list currently has 947 subscribers and this reflects the indicative size of our mailing list throughout the year ending March 2020.
