Halloween Update

[More information...](#)

There's so much going on we've had to do a second newsletter this month!

- * Take part in our Halloween production
- * Behind the Scenes workshop
- * Membership only £10
- * Also in Streatham...

Take Part in our Halloween production

Come along on 1st October, 7pm for 7.30pm at Vinters*

Last year we ran a very popular tour of Streatham's historic theatre, so popular in fact that we are back this year with a new [production](#) inspired by Dennis Wheatley's *The Devil Rides Out*.

This event is for anyone interested in taking part on or off stage. We need actors, guides, technicians, front of house, props etc. etc. No need to prepare just turn up. **FREE event.**

What happens off stage?

Workshop led by David Harvey - 13th October

Held in conjunction with Network Theatre Company, this event at Network Theatre in Waterloo will reveal the key behind the scenes activities and how to do them well, whilst touring a well-equipped working theatre space. (NTC's bar will be open for informal networking over a drink).

A SECOND TUESDAY EVENT: fun, relaxed and practical on-site in a working amateur theatre, great for actors and show directors alike, all abilities welcome - no experience necessary.
STC & NTC MEMBERS FREE. NON MEMBERS £3

Location: Network Theatre, 246A Lower Road, Waterloo, London SE1 8SF

Network Theatre is accessed via a service road under Waterloo Station - see www.networktheatre.org/map for directions.

Membership

If your membership has recently expired we'd love you to renew...

Even if you're not currently anticipating being in a show, your continued membership helps us keep STC alive, running regular events (at least one a month) and producing shows (we're on our eighth in 18 months). It's still only £10 a year, and you can even pay by standing order. As well as helping us keep putting theatre into Streatham, you also get free access to members events and concession tickets.

And if you're not currently a member, we'd love you to join for the same reasons!
