

STREATHAM FESTIVAL PLAY - a chance to get involved!
Production Planning Meeting

TUESDAY 2nd May 7pm for 7.30pm

Canterbury Tales - Chaucer Made Modern

by Phil Woods with Michael Bogdanov

About the meeting

We have chosen our next production which will be part of the 2017 Streatham Festival. It is the version of the Canterbury Tales we read at the last workshop. As it consists of a number of tales of varying lengths it represents an ideal opportunity for different individuals to direct one or more of them.

If you would like to help direct or assist the production in any way please come along to this meeting!

Note this is a *planning* meeting not an audition: these will follow on later as our production plans are finalised.

If you are interested but unable to attend on May 2nd please email your details to info@streathamtheatre.org.uk and we will get back to you

About the play

This version of Chaucer's *Canterbury Tales* is set in the present at the annual *Geoffrey Chaucer Canterbury Tale-telling competition*.

With simple staging, there is the possibility of different directors for each tale and for either all or perhaps a number of the 9 tales being put on in a single performance that could be repeated during the festival week.

Performance Dates

The exact dates are to be confirmed but will be during the Streatham Festival which runs from 1-9 JULY 2017.

Meeting Location:

Studio 2, Vinters, 1b Sunnyhill Road, Streatham, SW16 2UG

Date and Time:
