FUN WITH COSTUMES:

AN EVENING OF IMPROVISATION

led by Helen Mason

About the workshop

If you enjoy devising sketches and improvisation this is the night for you. Take the costume from the rail and see what story unfolds. This informal session will give everyone the chance to work on your own or with someone else to devise a short performance piece inspired by costumes. No experience necessary.

Helen has been involved in devised and contemporary theatre for nearly 30 years. Her first venture into theatre was through street theatre and carnival. Since then she has been involved in several London Theatre groups as an actor, director, set and costume designer. Her love of colour and training in interior and theatre design informs her work
