Course: An Introduction To Directing - Starting Wednesday 4th October for 6 weeks

Working with trained professional Mhairi Grealis, this six week course for beginners will look at aspects of the craft of directing for the stage: from working with actors to making things look good on stage. Whether you're an aspiring director or just curious, this course will not only offer unique insights into how stories are brought to life but give you skills that range from textual analysis for performance, to communicating effectively with the technical team (sound, lighting, costume), and managing the project that is putting on a show.

7.30pm for 8pm to 10pm at [Vinters](#) in Sunnyhill Road, Streatham each Wednesday.

For members only. If you are not currently a member [Membership](#) is only £10 per annum.

Members prices: £10 per session, or £50 for all 6 sessions, lowering to £40 if paid at or before the start of the first lesson. You can pay for the full course [here](#).

To sign up and for info please email us at info@streathamtheatre.org.uk

Regular Second Tuesday Events

12 September: [Streatham Shorts](#)

An evening of short read performances (max 10 mins) written and directed by new writers. Suitable pieces may be nominated for a public performance at the Streatham Fun Palace event in October.

7 for 7.30pm at [Vinters](#). Members free, others £3.

10 October: [Technical operation workshop](#)

Ever wondered what the techies do when operating for a show, and what on earth all those knobs and buttons are? Would you like to have a go? We are always looking for operators and it's not as difficult as it looks. Come along and find out more.

7.30pm for 8pm at [Vinters](#). Members free, others £3.
