Tuesday 13th March
'Hamlet off the Street'
Shakespeare comes to Streatham
- play reading of our 2018 festival show

Hamlet is one of Shakespeare's best-known plays, with a powerful story and some of the most beautiful speeches and familiar sayings ever written in English.

As Streatham means 'hamlet on the street', it's fitting that *Hamlet* is STC's first single play foray into Shakespeare's world. We're going to tell the story by combining some of the most famous scenes with narration, poetry and music, as the audience follow the story in their heads and on their feet.

As well as giving you a chance to read Shakespeare's words aloud, we'll throw it open for you to inspire us with your ideas and opinions. We want to make this a show that all Streatham will want to come and see.

Help us plan our first Shakespearian show based on a single play

7pm for 7.30pm at [Vinters](#), 1B Sunnyhill Road SW16 2UG
Members free, others £3.
