The scripts are in ... join us in an evening showcase of 6 previously unperformed 10-minute plays. We think this new selection will variously raise a smile, cause a tear, may shock or simply entertain.

STC is proud to give local writers the opportunity to take their work from the page to the stage and to hear it come to life in a reading by STC members and actors.

Join us to listen, read a part, give feedback or suggest staging.

If you are an actor, director, stage manager or audience member we need you to come along and take a part, listen, and give constructive feedback to our playwrights.
