June Second Tuesday event: Annual General Meeting and Prize Quiz.

Thanks to all who came along to our AGM to hear about how we coped with the past year and our plans for the next. We elected our committee for next year, and then held our theatre based quiz, with nibbles and drinks. The lucky winners took home a cash prize!

"*THE GODS THE GODS THE GODS* is an internationally award winning show from Wright & Grainger, the creators of the hugely acclaimed *ORPHEUS & EURYDICE*. 4 stories weave together across 14 tracks full of big beats, soaring melodies and banging heart-stopping spoken word. A show about what we look for outside ourselves, and where we find it in the people around us. A mouth-watering weave of where mythology meets real life. "

The next STC Pantomime

Want to help put on our next panto? Our production team is looking to add people to help. We have a script and a timescale of Jan 2023.

Casting will take place later this year, so at this stage we are looking for help with music, singing, choreography, costume or other areas? Let us know at info@streathamtheatre.org.uk

PS we are also being videoed for a documentary!

Memories of Streatham Hill Theatre

The Friends of Streatham Hill Theatre, who are campaigning to save the former grand theatre and bingo hall, are looking for people's memories of the theatre and surrounding entertainment area. They are doing audio and video interviews, collecting photos and other media.

STC has performed there a number of times, so if you have memories you would like to share, please drop an email to memories@streathamhilltheatre.org
