Music Hall started out in Victorian times in pubs, so we're re-creating an old-fashioned pub-style atmosphere, with Mine Host directing proceedings, and of course a licensed bar and snacks available.

Come in costume and enter the best costume competition!

There'll be community singing around the piano plus lots of 'turns', singers of comic songs, comedians, dancers, and magicians, following the style of acts from

the 1880s to the 1950s.

** the title is derived from the Glasgow music hall where unpopular turns received a violent response!*

STC Pantomime - Dick Whittington

Despite all the early enthusiasm, unfortunately we have not been able to cast the pantomime. A big thanks to those who came along to audition, but we did not have sufficient people to cover all the roles needed, even allowing for doubling up or trimming parts.

Therefore we have put plans for a pantomime on hold, and will now look at a smaller show for the first part of 2023. If you have a proposal for a show, perhaps even would like to direct or produce it, please [let us know](#). We're thinking of a well known play by a well known author with a small number of parts.
