## Our Streatham Festival event is cancelled

We are very sorry to let you know that we have had to cancel our Sing-Along-a-Musicals show for the Streatham Festival as sadly, our producer has had a bad fall and is out of action for a few weeks. Given the short time before the show we have not been able to find a replacement. We wish him a speedy recovery.

However, it's a great concept for a show, so we'll be thinking about how we can revive it at a future date. In the meantime, anyone with a craving to sing a song from the musicals can take part in our [Streatham's Got Talent event](#) in December!

## November play reading: Accidental Death of an Anarchist by Dario Fo

A bang up to the minute reworking by Tom Basden of Dario Fo's classic farce, this play takes aim at the ineptitude of the police force, ruthlessly exposing the corruption and incompetence of the institution...

*An Anarchist has fallen to his death from a police station window. The question is: did he jump or was he thrown?*

*As the police attempt to avoid yet another scandal, a mysterious imposter is arrested and brought in for questioning.*

*Seizing the chance to put on a show, he leads the officers in an ever more ridiculous reconstruction of their official account, hilariously exposing the cover-ups, corruption and profound idiocy at the heart of the police.*

November 14th at Vinters, 7.30 pm. Doors open 7.00 pm. Led by Helen Mason.

[A just-for-fun reading. Take part or listen in.](#)
