September 10th!**

After taking a break last year, our annual showcase of new short-form writing is back! Please submit your work, titled 'Streatham Shorts', and contact details to info@streathamtheatre.org.uk no later than **Tuesday 20th August**.

If selected, your piece will be performed at STC's workshop on Tuesday 10th September, with feedback given by the audience, actors and technicians afterwards.

Please put your name, the title of the play and the character list on the document to make our lives easier. **Selected writers will be notified by 27th August and should be available on the night of the workshop to introduce their piece in person.**

A Directing Masterclass!

Confirmed for November 12th

Consider yourself a could-be or would-be theatre director? Our upcoming workshop ***Tips for a successful show - approaches to the director's role in community theatre and the team behind the scenes***, could be of interest!

Several STC directors explain how being a director is not just about directing the actors to deliver their best performance on stage, and will share their approaches, challenges and lessons learned.

All directors work differently, but in general alongside the actors, a theatre show will have a production team of people bringing different technical skills and expertise. This helps share the load and provides an opportunity to discuss different artistic approaches. The director is often the person that builds this team and is the link person to all members of the team across the rehearsal and performance period.

November 12th, **Vinters Studio 2**, 1b Sunnyhill Road, SW16 2UG: 7.30 pm (doors open 7 pm), For more information see our [website](#).
