## Join the Committee

Our volunteer committee manages STC's activities, plans future events and shows and does all those things needed to keep STC running smoothly. There are a range of roles where you can help – roles are divided up between committee members.

Committee members are elected at our AGM (8 July) and this year we are looking for new members to join. In particular this year we need a new Membership Secretary (see below) as Terry is retiring from the role after many years sterling service. Our Secretary role is vacant too. We also need help with social media and marketing,

## Could You be our New Membership Secretary?

Terry Wynne has been our Membership Secretary since we began in 2013, but he has now has indicated his wish to stand down at the next AGM, and we are looking for someone to fill his very capable shoes.

Here is a high-level summary of the role. If you're interested, please contact us on [info@streathamtheatre.co.uk](mailto:info@streathamtheatre.co.uk) and we can send you the full role description.

The role of Membership Secretary comprises the following actions:

- **Managing members' account data:** Maintaining a register of current members, prompting those members whose membership is about to expire to renew, giving each new member a membership card.
- **Encouraging new members to join:** Attending shows, workshops, and other events, and encouraging non-members to join as an alternative to paying a non-member fee by promoting the benefits of membership.
- **Adding new contacts' email addresses to the STC emailing list.**
- **Providing an up-to-date report at each committee meeting** on the current number of members and the number of contacts on the mailing list.
- **Replying to emails inquiring about our activities generally**
