Notes

- 1 This year's membership subscriptions decreased by £110 on last year, because our April 2025 show, *Accidental Death of an Anarchist* was already cast by March 2025.
- 2 Donations increased almost 100 fold on last year, mainly due to a donation from the now defunct Common Touch Theatre Company.
- 3 We had no TicketSource referred income this year.
- 4 Our contribution from events dropped and our outgoings rose too, so we lost an average £6.29 on each of the year's 11 events.
- 5 Income is shown after deduction of any handling fees charged, e.g. by TicketSource, PayPal, SumUp.
- 6 In March 2026, Unity Trust increased the monthly service charge from £6 to £7.

**STREATHAM THEATRE COMPANY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2026**

ACCOUNTING POLICIES

a) Accounting Convention

The financial statements have been prepared under the historical cost convention, in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

b) Dissolution

On Dissolution any surplus will not be returned to any members. Any surplus funds will be transferred to any charity or society with similar objectives to Streatham Theatre Company (STC).

c) Income & Revenue

Any income is recognised when receivable. Donations are recognised in the year when they are received. Grants are recognised confirmed at the point when entitlement and amount are confirmed.

d) Expenditure

All expenditure is dealt with on the accruals basis and includes value added tax where appropriate. Expenditure comprises those costs incurred by STC in the delivery of its activities and services.

It includes direct costs of activities and those costs of an indirect nature necessary to support those activities, allocated between expenditure categories on an appropriate basis.

e) Management of Assets

From 2016 - 2017 onwards, STC has revised its accounting policy to take the full cost of assets on acquisition.

f) Going Concern

The accounts have been prepared on the assumption that STC is able to carry on its activities as a going concern, which the Committee consider appropriate having regard to the circumstances.

g) Reserves

The Reserve funds are fees and other income receivable or generated for the objectives of the company without further specified purpose, and are available as general funds.

h) VAT

STC is not registered for VAT as turnover is below the threshold for registration.
